

THE HERALD.

SPENCER COOPER. : : : Editor.

HAZEL GREEN, KY.

THURSDAY, : May 19, : 1904.

Our Candidate for President,

WM. RANDOLPH HEARST,
OF NEW YORK.

UNFORTUNATELY Hazel Green is just outside the oil territory. At any rate there has been no development of that kind in the immediate vicinity. But the fact that Campton is the center of the oil field, the ne plus ultra of both quality and quantity, should make every man in Wolfe county proud of the situation, unless, indeed he be prejudiced as to the locality. This item is inspired by the information that on Monday evening last another number one well was brought in at Campton, and it is said to be a cracker jack. Capitalists now have their eyes upon the Campton oil field and that section of our county promises great things for the future. Every dollar that is spent in that vicinity helps our county in a way and in the near future investors may turn their attention to this immediate neighborhood. All the indications are favorable, really, to a superior oil field in our section, and as soon as work of development begins we believe the world at large will admit our advantages. With the gas wells, only two miles away, it is evident that oil is close by. Indeed, one of the two oil wells now has 600 feet of fine oil standing in it. Let us have developers.

A Sure Thing.

It is said that nothing is sure except death and taxes, but that is not altogether true. Dr. King's New Discovery for Consumption is a sure cure for all lung and throat troubles. Thousands can testify to that. Mrs. C. B. Van Metre of Shepherdstown, W. Va., says "I had a severe case of Bronchitis and for a year tried everything I heard of, but got no relief. One bottle of Dr. King's New Discovery then cured me absolutely." It is infallible for Croup, Whooping Cough, Grip, Pneumonia and Consumption. Try it. It's guaranteed by all Druggists. Trial bottles free. Reg. sizes 50c, \$1.00.

EVERY man and woman native to Hazel Green should be proud of the victory last week won at Lexington by South Trimble, a native of this town. True, Mr. Trimble removed from here when he was but a lad, but all the same he was born within the corporate limits of the town. This is the third time South Trimble has represented the Ashland district in congress, made famous by the gifted statesman and commoner Henry Clay, and that he has represented at least fairly well, goes without repeating, inasmuch as he could win over the intellectual company in which he was a constant. His most powerful opponent, perhaps, was William Preston Kimball, a native of Fayette county and at present county attorney, who is an orator of reputa-

tion and a very popular man. Fayette, Bourbon, Oldham, Scott and Franklin each had a candidate, which made the contest quite spirited. Mr. Trimble, however, was nominated on the 290th ballot, with the understanding that two years hence he will use his influence for Fayette's choice, whoever that may be. Hurrah for the mountains.

A Startling Test.

To save a life, Dr. T. G. Merritt, of No. Mehoopany, Pa., made a startling test resulting in a wonderful cure. He writes, "a patient was attacked with violent hemorrhages, caused by ulceration of the stomach. I had often found Electric Bitters excellent for acute stomach and liver troubles so I prescribed them. The patient gained from the first, and has not had an attack in 14 months." Electric Bitters are positively guaranteed for Dyspepsia, Indigestion, Constipation and Kidney troubles. Try them. Only 50c at all Druggists.

Items of Interest.

C. B. Rose, of Hazel Green, was in our city at the beginning of the week, soliciting insurance.

Judge Robert Riddell, accompanied by Hon. J. K. Roberts, Commonwealth's Attorney of this district, passed through Jackson Saturday last, en route for Salyersville, where he convened the May term of the Magoffin circuit court on Monday.

Mat J. Sloan, of Wolfe county, was arrested here Monday by J. C. Little, Jailer of the above county, and taken to Campton, where he was lodged in jail. Sloan is under indictment for various offenses in the Wolfe circuit court, one of which is for shooting and wounding with attempt to kill.

The contested election case of James Adams, Republican, against Hon. J. K. Roberts, Democrat, involving the office of Commonwealth's Attorney of this district, will be tried in the Lee circuit court, and last Saturday J. Smith Hays, of Winchester, was appointed by Governor Beckham as special judge to try the case.

The first telephone line in Letcher county has just been completed from Whitesburg to Stonegate, Va., the nearest railroad point, and the citizens of Letcher's capital can now, for the first time, "hello" with the outside world. The line will be extended from Whitesburg to Mayfield and Sargent in the near future.

There will be something doing in Winchester Journalism before many moons wax and wane. Ex-Secretary of State Hill will start a paper there as soon as practicable, to be devoted largely to Democracy and other vital social topics. Judge Hill is a power in journalism and the new venture will be a constant attraction. The Hustler hopes he may succeed beyond his most cherished dreams.—Jackson Hustler.

Notice to Overseers.

CAMPTON, KY.,

May 13, 1904.

To Overseers of County Roads.

GENTLEMEN—The roads of Wolfe county are in very bad condition, and now is a good time to work them. You must work out your roads at once, or there will be fines assessed against you in our county court. Any citizen that makes complaint about a county road will be heard by the court, and the proper remedy applied to overseer. The public can get better roads if they will come to court and make complaint as the law provides. You will take due notice and account accordingly.

Your humble servant,

J. W. CONGLETON.

I am receiving a nice lot of up-to-date millinery of every description; Spring and Summer dress goods and trimmings; also, ladies' dress skirts. In fact everything in that line, and prices as low as you will find anywhere. Call and inspect. Mrs. EMMA HENRY, Grassy Creek, Ky.

Spencer Cooper, Hazel Green, Ky.

DEAR SIR—I had mailed you a notice to put in your paper concerning the county roads before I got this week's HERALD and saw your article ripping me severely. I wish to say your article makes a wrong impression on the minds of the public. You say I should order the men out to work the roads. I have overseers on every section of road in the county and it is their duty, and they have copy of order of court directing them to keep their roads in good repair. If they don't do their duty you or any other citizen has the right and it is your duty, to come in county court and make complaint against any overseer, in the county, if his section of road is in bad condition. This puts him in the hands of the court, (street talk don't count much). As to the road from Hazel Green to Helechwah, there has been about \$150 spent on that section of road since I have been in office. In fact I have furnished everything in the way of lumber, nails, etc., that has been called for by overseer. If the overseers don't do the work get after them. At our April Fiscal Court I made a number of appeals to our court asking them to be more liberal in appropriating funds to be used on our county roads and did succeed in getting some allowances for that purpose. I have written many letters in the last 10 days to overseers in the county urging them to work out their roads. The roads in the county last fall were in fair condition, but it was impossible to keep them in good shape through the winter. Tell your readers to come over to county court and make their complaints.

Yours truly,
J. W. CONGLETON.

Trimble's Speech.

After Mr. Trimble's nomination at Lexington he mounted the stage and said:

"Fellow Democrats—I want to express my gratitude and love to you who have stood so loyally by me. This has indeed been an eye-lash finish, but 'all's well that ends well.' It would have been an honor even to have been defeated by the distinguished men who were my opponents. This has been a canvass in which not a harsh word has been spoken. The convention has been harmonious. We have made such a record in this convention that the State Executive Committee ought to meet again and bring the State convention to Lexington. This is an occasion when I am indeed too full for utterance. I am proud of this victory."

Thousands Have Kidney Trouble and Don't Know It.

How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What to Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1.00 sizes.

You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail, address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
